

THE ESTATES OF OAKTREE
GUEST PASS REQUEST
(Please print or type)

This Guest Pass Request may be used to request a pass for your visiting guests who will be entering the community multiple times during their extended visit (more than 2 days). This is a courtesy pass that will eliminate the need for the guard to call for your permission each time your guest enters the community. Your guest should display this pass, in the vehicle, when the vehicle is parked on the street. When they approach the guardhouse, they should present this pass to the guard for entry. The Guest Pass should be discarded at the end of their visit.

You may fax this form to the Guard House at 214.716.8905 or
drop it off with the guard prior to your guest's arrival.
